Parkl

parking spaces 🛰

Also known as pop-up parks, parklets convert on-street parking spaces into temporary people places in support of a friendly environment for people biking and walking. They create attractive public spaces for eating, reading, listening to piano music, or meeting a friend.

1.

WHO CAN HOST A PARKLET?

Parklets are a collaboration between Missoula in Motion, the Missoula Parking Commission (MPC), and the parklet host. Any business or organization can host a parklet. Parklets occur on the First Friday of every month between May and September

2.

WHERE CAN YOU HOST A PARKLET?

Parklets are typically set up within MPC jurisdiction which includes the central business district downtown. Parklets are not allowed on angled parking spots, but any metered, parallel parking space can be a parklet. North Higgins Ave is a great, highly visible location.

3.

WHAT ARE THE GUIDELINES?

Hosts are responsible for planning, setting up, tearing down, and managing the parklet. Parklets are open to the public and should be designed as an inclusive and welcoming space. Parklets are intended to be a neutral and comfortable place for all. Smoking, consumption of alcohol, soliciting, fundraising, and sales are not allowed.

SIGN UP TO HOST A PARKLET HERE

Elements for Success

GROUND TREATMENT

Astro turf (Missoula in Motion has some you can borrow — just let us know!) Rugs Chalk Brick

FURNITURE

Tables/Chairs Wooden benches Bean Bags Pillows/Blankets Collapsible lawn furniture

LANDSCAPING

Potted plants Flowers/hanging baskets Mesh/wooden screens Rope/ribbon Outdoor string lights

WHAT TO EXPECT

The parklet host will sign up to host on a specific date and time.

MIM will coordinate with MPC for parking space approval.

MIM will promote upcoming parklets on social media, website, and weekly newsletter.

The parklet host is responsible for cleaning up the space by 8pm.

MPC will block off a parking space with orange cones. The host is required to return the cones to MPC or MIM the following Monday.
